WITH YOUR FIRST ROOF ORDER

WarmerRoof

SITE ASSISTANCE

In order to assist you with your installation, we offer a Warmer Roof representative to come to site, to advise and provide comprehensive instructions on all aspects of installation, along with any checks that need to be taken to ensure the installation goes as smoothly and professionally as possible. The site assist will take place for one day only, ensuring the roof structure is in place ready for getting watertight. Our representative will not conduct any fitting and will be on site to guide you through the process and answer any questions you may have.

WHAT HAPPENS NEXT?

Complete this form and return to jordan@warmerroof.com together with your order confirmation. Your technical representative will then contact your to confirm availability on the requested date and confirm a time slot.

PLEASE ENSURE AVAILABILITY HAS BEEN CONFIRMED BEFORE INSTALLATION DATE IS ARRANGED.

ENSURE YOUR ROOF IS READY TO BE INSTALLED AT THE AGREED TIME

By agreeing to a Site Assist, you confirm all the below checks will be carried out prior to a Warmer Roof representative attending site. These checks are put in place to ensure the installer can fully utilise the time provided ensuring a stress-free installation. In the event these guidelines are not followed your site assist may not take place and could be chargeable. All fitters to have read the installation manual to gain a brief understanding of the process prior to installation. (Please contact a member of staff who will provide a PDF version via email)

✓ Ensure a minimum of two fitters are present to carry out the installation.

✓ Ensure the old roof has been fully removed

✓ Ensure any new frames have already been installed.

✓ Ensure any work required has already been carried out. (I.e. removal of existing plaster / alterations to soffits etc.
